Most of the costs are paid by The Arc using funds received from various sources. These costs must be paid in advance and are not refundable to The Arc if members who signed up do not go. Therefore, effective January 1, 2018, any member who signs up to attend an event but does not show up without good cause will be charged the full cost of the event. Volunteers Needed:

The Arc strives to provide meaningful and fun events for all members to enjoy. These events require volunteers to schedule and manage the events. The more volunteers available, the easier it is to manage these events without requiring just a handful of people to do all the work. Ask any current volunteer and you will find that it is fun and fulfilling to help with these events. Please consider joining us in providing these events by contacting any officer for information.

Thank you. Susan Wallintin, President.
