Important info from The Arc Wisconsin As you know, *the House-passed American Health Care Act will cut over \$800 billion from the federal share of Medicaid.* States cannot make up these losses in federal funding. Reimbursements to providers will be cut and people will lose eligibility and/or services. As this issue moves to the Senate, it is critical that the Senators in your state hear from their constituents about how these cuts will impact them. Use this short script to call your Representatives now and ask your friends and family to call. Every single call matters.

- I am a member of The Arc.
- I am a person with I/DD, or I am a family member of someone with I/DD, or I am a professional in the disability field.
- Do NOT support the AHCA, the bill to cut Medicaid and repeal major protections of the Affordable Care Act.

FORTY ATHLETES have worked hard to achieve their personal bests in Track and Field, swimming, and powerlifting. Congratulations on your accomplishments. Great job at Manitowoc Invite and Regionals in Track. Swimmers swam unbelievably fast at Oconomowoc Invite and even faster at Regionals, the Dodge County YMCA Invite was bigger and faster than ever. The powerlifters seem to be some of the strongest at Tomah Invite, renewing friendships. Everyone is excited to compete against their many friends they have gotten to know through the years.
